The Buzz About Diana

From individuals and families...

"As always, we appreciate your attentive follow-throughs on everything."
...after following up on myriad details regarding a family's estate plan

"You listen so well. As you repeated back to us what you heard, we saw how we had
misunderstood each other." ...after discussing a client's family business

"Through your leadership we were able to delve further into the individual and group hopes and
dreams for our family's future and then begin the process of building a means to attain
them...You helped us change the way we converse as a group and launched us into a whole
new way of communicating." ...after facilitating the planning session for a Family Council

"You've focused my attention on some very important themes related to money which I believe
will really help me." ...after a wealth coaching session

"It is very satisfying to work with you because you are clear, direct, and truly able to bridge the
grantor-grantee gulf. It's a rare talent and I commend you." *Sarah Brown, Executive Director,
The National Campaign to Prevent Teen and Unplanned Pregnancy* ...after liaising on behalf of
a client over a leadership gift request

From conference attendees and sponsors...

"The day was filled with invaluable insights...The women who facilitated the day are class acts.
Every one of your clients should be so lucky. The women who attended the forum were
fascinating and fabulous. I made at least one new friend if not a few. Thank you for the
invitation. Your very, very grateful client."

"I attended the [Women and Wealth Seminar](#) today, bringing my mother and sister-in-law as
guests. Thank you so very much for providing all of us with a fantastic opportunity to explore this
subject. Each of us enjoyed it immensely and greatly appreciate that you put together a terrific
program. Your company shows great leadership in providing insight into another aspect of
investing."

"I enjoyed your insight in how we react to dealing with money...The introspection you encourage
is a process from which anyone can benefit."

"As many of my clients feel isolated by their wealth they especially appreciated being with others
of like circumstances in a situation where they were encouraged to talk about their money
challenges and experiences. Thank you for your leadership."

"My clients loved the event – it gave them a chance to discuss something that they
never discuss."
